

January, 2006

Last month, the Board of Directors meeting was cancelled, due to the weather. It was decided to review the budget and City contract at the January meeting.

This mailing includes a copy of your membership bills. Your dues are payable by April 1. Information regarding other programs has also been included. It is our hope that providing you with a schedule for the entire year will help you plan your marketing efforts.

We have several events coming up during the next month. I hope you are able to join us for our Thursday, Jan. 19 noon luncheon at the Community Center, 613 South Race Street. If you have not made a reservation for this event, please call the office. Dr. Barton Goering, superintendent of schools, will provide an update on the new schools within the district.

We appreciate your continued support.
